

# Getting Started

## with Studies Weekly Online

In Studies Weekly Online, register as a **Teacher** not the parent.  
As your child's teacher, you have the same access as classroom educators.

### 1) CREATE ONLINE ACCOUNT

1. Go to [online.studiesweekly.com/register](https://online.studiesweekly.com/register)
2. In **Register** menu, choose **Teacher**
3. Fill in using same info and email as your order. Click **Submit**  
*\*make sure to select your State and choose HOMESCHOOL for your District and School (for charter schools too)*
4. You'll receive a confirmation email within 48 hours (check your Spam)

### 2) LOG IN

1. Go to [online.studiesweekly.com/login](https://online.studiesweekly.com/login)
2. Input Username (email address)
3. Enter Password
4. Click Login
5. You'll be on the your **Account Dashboard** tab

### 3) ADD CLASS

1. Go to **Classes** tab
2. Click **Add New Classroom**
3. Fill in info
4. Click **Create Classroom**

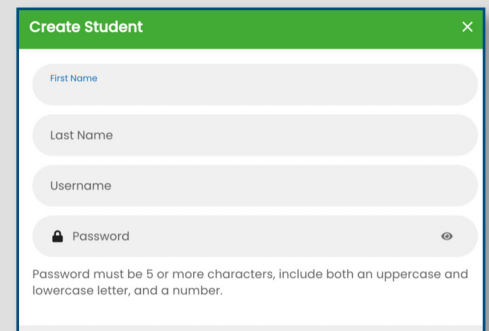

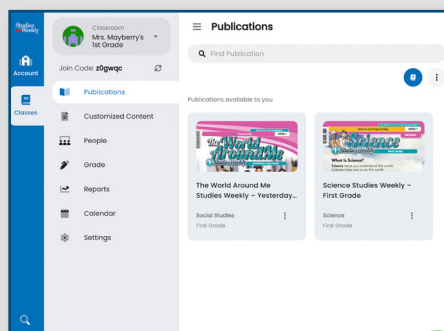

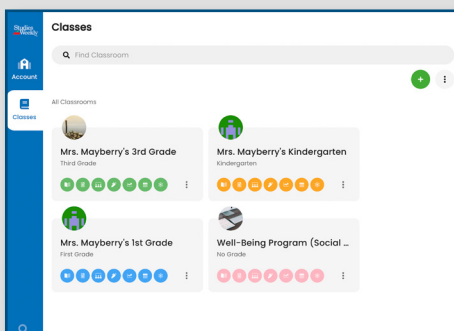

### 4) PUBLICATIONS

1. Go to **Classes** Tab
2. Select your Class
3. Click **Add Publication Access**
4. Select the publication(s) you want to add to the classroom

How-To VIDEO: [S-W.CO/ADD-PUBLICATIONS](https://s-w.co/add-publications)

### 5) ADD STUDENT

1. In **Classes** tab, go to **People**
2. Under **People** tab, click **Create Student**, fill in info
3. Create child's **Username/Password**  
They will use the same online platform, but with their own login

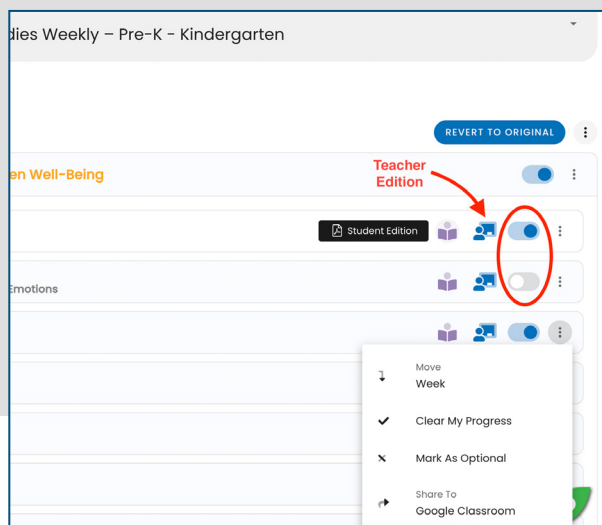

# Using the Curriculum

Every weekly unit is hands-on and includes learning activities your child can do right on the paper or online.

## IN THE WEEKLY UNIT LISTING PANEL

- TOGGLE ON/OFF VISIBILITY
- FIND STUDENT AND TEACHER EDITIONS
- SHARE TO GOOGLE CLASSROOM AND REARRANGE WEEKS

What does a week look like?

## Monday

Preview the articles looking for content clues. Read the cover article. Watch the related video.

## Tuesday

Read the feature article and do a Graphic Organizer (found in the Teacher Edition).

## Wednesday

Finish reading the paper, then complete the page 4 activities.

## Thursday

Take the assessment or create a project showing understanding of the concepts and skills.
